# ANTI- VALENTINE RECIPE

for you and your dollies

## Blackheart Bliss Bites

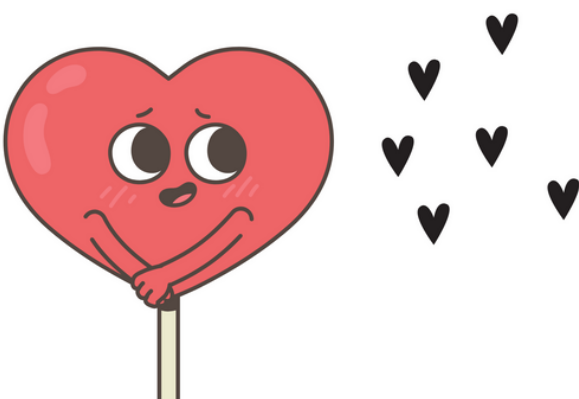

### Ingredients:

- 1 cup Dark Chocolate Chips
- 1/2 cup Crushed Pretzels (for that extra salty kick)
- 1/4 cup Dried Cranberries (to represent the broken hearts)
- Sprinkles of Rebellion (edible glitter, because why not?)

### Instructions:

- *Melt the Darkness:* In a microwave-safe bowl, melt the dark chocolate chips in short bursts, stirring in between until smooth and glossy.
- *Add the Crunch:* Stir in the crushed pretzels, providing that perfect salty contrast to the sweetness.
- *Fold in the Broken Hearts:* Gently mix in the dried cranberries, representing the shattered dreams of love.
- *Shape the Rebellion:* Using a teaspoon, scoop out small portions of the mixture and shape them into bite-sized hearts or any rebellious form you desire.
- *Sprinkle with Sass:* Finish off with a generous sprinkle of edible glitter for that touch of anti-romantic glamour.
- *Chill and Serve:* Place the bites on a parchment-lined tray and chill in the fridge for a few minutes until set. Serve with a side of attitude!

These Blackheart Bliss Bites are the perfect treat for dolls (well, you actually ) who prefer a bit of rebellion over romance. Enjoy these in solidarity with your fave dolls and dolly people during your Anti-Valentine's Day celebration!
